Beyond Borders, Beyond Business

Plates • Meal Trays • Clamshells • Bowls • Cups • Cutlery

About Econest Global

Econest Global is an Indian manufacturer and exporter of compostable bagasse tableware and paper cups. From our production facility in Gujarat we supply distributors, importers and foodservice brands worldwide with a complete tableware range from a single source.

Plates

Meal Trays

Bowls

Clamshells

Paper Cups

Cutlery

Complete range, one source

Bagasse plates, trays, bowls and clamshells plus paper cups and cutlery, produced and shipped together in a single mixed container.

Private label

Your brand, your packaging. Artwork adaptation, plate making, sampling and print quality control managed end to end.

Multi-stage quality control

Raw material checks, in-process controls on every production run and a pre-shipment inspection with photo report before dispatch.

Export ready

Loading from Mundra with documentation handled in house. Clear lead times and proactive updates in your time zone.

Certified facilities

Our production facilities hold ISO 9001, ISO 14001, ISO 22000, BRCGS and FDA registrations. Certificates available on request. Products are food grade, microwave and freezer safe, oil and cut resistant.

Trade terms: quotations in USD, FOB Mundra. Other Incoterms on request. Mixed SKU consolidated containers welcome, 20 ft and 40 ft HC.

Plates

Microwave safe, freezer safe, oil and cut resistant. Sturdy rims for buffet and event service.
